

Dog Safety for Kids

www.deltadogsafetas.org.au

Delta Dog Safe™ teaches practical ways young children, families and communities can reduce the incidence of dog bites.

Children are provided with vital messages about dog behaviour and how to stay safe around dogs whilst promoting the positives of the special bond between dogs and children.

Classroom presentations are provided at no cost and include:

- 45 minute presentation
- Teacher Resource Kit
- Brochures for parents
- Stickers for students
