

# Agree or disagree?

1. We should stay away from dogs who are eating or sleeping.

**AGREE** - dogs like to be left alone when they are eating, chewing on a bone, sleeping, feeling tired or unwell.

2. Always ask a dog's owner before patting their dog.

**AGREE** - it's the safe and polite thing to do.

3. Only stray dogs bite.

**DISAGREE** - any dog might bite if they feel scared or angry

4. It's okay to walk up to a friend's dog and pat it.

**DISAGREE** - always ask before touching someone else's dog.

5. A good way to be safe around dogs is to help dogs feel safe.

**AGREE** - It's good to go quietly near dogs so they don't get a sudden fright!
